The Appeals Process

Why/When/How Applicants file for an Appeal

Common Reasons for Filing an Assessment Appeal

COMMON REASONS FOR FILING AN ASSESSMENT APPEAL ARE DUE TO CONDITIONS SET FOR BY PROPOSITION 8 AND 13:

- Decline in Value on property
- Change in ownership
- Completed new construction
- New construction partially completed on the lien date (January 1st)

Proposition 13

(Reassessable Event)

- Pursuant to Proposition 13, real property is reassessed upon a change in ownership or when new construction occurs. The new assessed value created by either event is called the “base year value.”
- After establishing a new base year value, and until the next reassessable event, the Assessor can only increase that value by the rate of inflation indicated by the California Consumer Price Index (CCPI), not to exceed a maximum of 2 percent per year.

The following are considered reassessable events:

1. Change in ownership.
2. Completed new construction.
3. New construction partially completed on the lien date (January 1st).

How Proposition 13 Affects Assessed Values

A Comparison of two Homes:	HOUSE A	HOUSE B
2011 Base Year Value	\$300,000	\$300,000
2012 (Assessed value reflects the Prop 13 inflationary increase)	\$306,000	\$306,000
2013 (House B is Sold)	\$312,000	\$459,000 * Established as the new Base Year Value for 2013
2014 (Assessed value reflects the Prop 13 inflationary increase)	\$318,000	\$468,180

**The difference in Assessed values
is caused by Proposition 13**

Proposition 8 (Decline-in-Value)

- ❖ Proposition 8 is a State Constitutional Amendment established in 1978 to allow **temporary** property value reductions under certain circumstances:
 - Decline in market value
 - Obsolescence and deferred maintenance

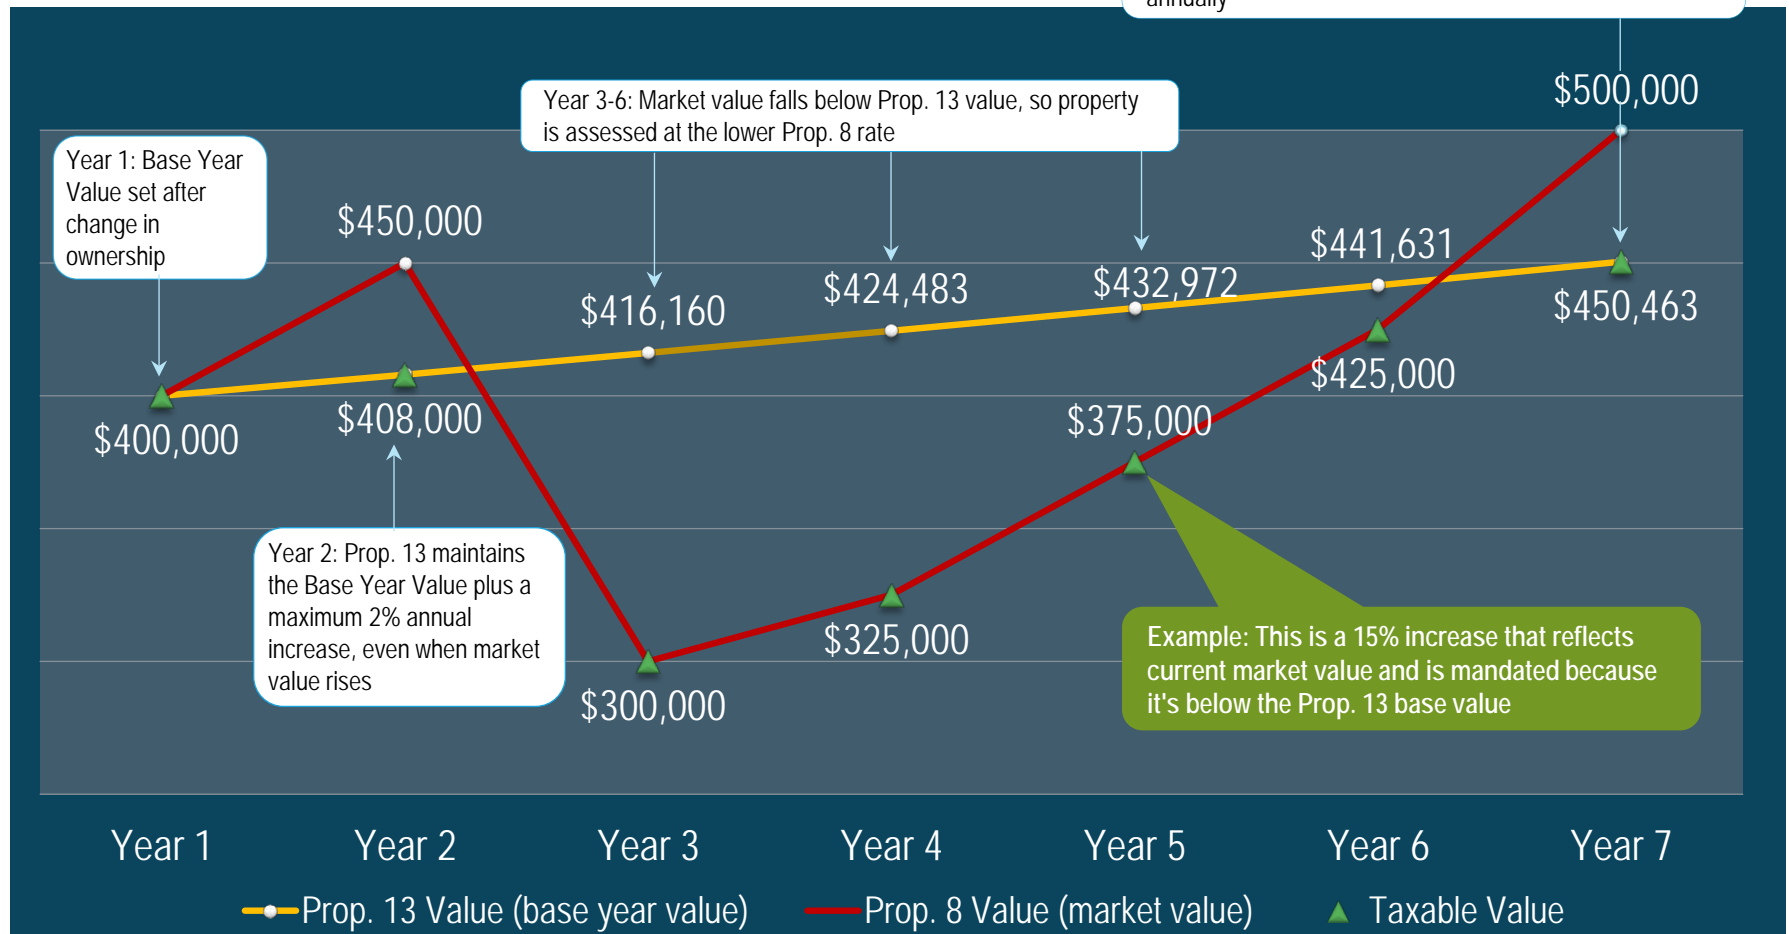

When appealing Proposition 8:

You must demonstrate that on January 1st, the market value of your property was less than its current assessed value.

- ❑ Keep in Mind – If you are granted a reduction under Proposition 8, it only affects the assessment year/tax bill that was filed on. To be considered for a decline-in value for the following year you must file another appeal.

How Proposition 8 & 13 affects your Property Taxes

Assessment Appeals Board (AAB):

July 2 – November 30*

Apply online at:

bos.lacounty.gov

Form name:

Assessment Appeal Application (AAB-100)

OFFICE OF THE ASSESSOR

2014 Decline-in-Value Review Application

IMPORTANT This form **MUST** be filed between July 2 and November 30, 2014. Applications are valid if postmarked by November 30, 2014. Applications received outside of those dates will not be processed. Your property assessment may have already been reduced by the Assessor. Before submitting this form, please check your assessed value on the Assessor's website. If the value has been reduced to your satisfaction, there is no need to complete this form. You may check the status of your decline in value reassessment at any time online at assessor.lacounty.gov/decline. For assistance, please call 213.974.3211 or 1.888.807.2111.

The California Revenue and Taxation Code allows for a temporary reduction in assessed value when property suffers a "decline-in-value." A decline-in-value occurs when the market value of your property is less than the assessed value as of January 1, 2014. The best information you can provide that supports your opinion of the market value of your property is sales of comparable properties. You should try to find two comparable sales that sold as close to January 1, 2014 as possible, but no later than March 31, 2014. While the submission of sales is helpful in determining the market value of your property, applications submitted without comparable sales will be accepted and processed.

Additional Information

IMPORTANT Attach any supplemental data or additional information that supports your claim.

Keep a copy of this application for your records and as a reminder to file an assessment appeal if you do not receive the Assessor's findings by October 1, 2014. If you disagree with the Assessor's decline-in-value conclusion, you may file an appeal with the Assessment Appeals Board no later than December 1, 2014.

ASSESSMENT APPEALS (NOT FILED WITH THE ASSESSOR)

The Assessment Appeals Board (AAB) is an independent body established to resolve differences of property value opinion between the Assessor and property owners. AAB Filing Period: For the 2014 "Regular Assessment Roll" a formal appeal may be filed from July 2 through December 2, 2014. For a "Corrected Assessment Roll" a formal appeal may be filed within 60 days of either (1) the date of mailing printed on the tax bill or (2) the postmark date for the tax bill, whichever is later. Preserve Your Appeal Rights: You may appeal by the applicable deadline without waiting for a response to this claim. Starting July 2, 2014, you may request an application from the Assessment Appeals Board at 213.974.1471 or online at bos.co.la.ca.us. You may withdraw your AAB appeal without penalty, for any reason.

Preparing for your Hearing

Collecting Evidence for your Appeal

Collecting Evidence for the Hearing

The following factors can assist you in identifying evidence to support your appeal.

1. Valuation Date
2. Physical Property

Valuation Date

Event	Valuation Date
DECLINE IN VALUE	<u>January 1st</u> (must be owner or lessee on record) <i>Relevant comparable sales dates:</i> <i>May be any time before the valuation date (January 1st) but may not exceed ninety (90) days after the valuation date (March 31st).</i>
CHANGE OF OWNERSHIP	<u>Actual date of transfer</u> <i>Relevant comparable sales dates:</i> May be any time prior to the transfer date, but no later than ninety (90) days after the actual date of transfer.
NEW CONSTRUCTION	<u>Date of Completion</u>
PARTIAL COMPLETION OF NEW CONSTRUCTION	<u>Lien date (January 1st)</u>

Physical Property

- Location
- Distance from the property
- Year Built
- Property condition — *excellent, good, fair, or poor*
- The number of bedrooms and bathrooms
- Lot size and other attributes — View, Proximity to Mountain, lake or golf course.
- Miscellaneous improvements — pools, patios, etc.
- Size of improvement, such as a house — in square feet
- Quality of Construction
- Zoning
- Site location – located or adjacent to a commercial or industrial areas.

Helpful Tip: Drive by and take pictures of comparable properties.

Methods that can be used to Prepare for the Hearing

The following are common methods used for establishing Fair market value:

- Comparable Sales
- Income Approach
- New Construction
- Personal Property

The Comparable Sales Approach to Value

- The **comparable sales approach to value** is the most common and reliable type of evidence used to support an opinion of “fair market value”; particularly for single family residences. If the opinion of value is to be supported with evidence of comparable sales, the properties sold shall be described by the Assessor’s parcel number, street address or legal description sufficient to identify them.
- There are three general criteria used to evaluate the “comparability” of a property:
 - 1) **The sale of the property must be an arms-length open market transaction.**
 - 2) **The “comparable” property must be similar to yours based on size, quality, age, condition, utility, amenities, site location, legally permitted use and other physical attributes; and**
 - 3) **The date of the sale of the comparable property may be any time prior to the valuation date, but cannot occur more than 90 days after the valuation date of your property (the date for which the fair market value of your property is being determined).**

Sources For Finding Comparable Real Estate Sales

- Real estate Brokers and/or Agents (the Multiple Listing Service)
- Internet - <http://assessor.lacounty.gov> – *click on "View Property Maps and Data"*
<http://costar.com>
<http://redfin.com>
<http://zillow.com>
<http://trulia.com>
*Accuracy of data should be verified when using internet sites.
- County records - sales lists are available in the Assessor's downtown and regional office locations
- *Appraisals:*
 - *Specific data within Appraisals will not be considered unless Appraiser is present to testify, otherwise the Board will only consider the raw data (comparables within the Appraisal) during the hearing.*

Income Approach

- The **income approach to value** is used when the property has been purchased in anticipation of the money income that it will generate. An apartment building, purchased to generate rental income, would be an example of when the income approach to value would be appropriate.
- To support your opinion of value using evidence based on an income approach; the gross income, allowable expenses, capitalization method (direct capitalization or discounted cash flow analysis), and the rate or rates employed should be presented.

Cost Approach

- The **cost approach to value** establishes a “fair market value” for a property based on what it would cost to build or replace the structure. This approach may be useful in supporting the fair market value of a newly constructed building, or an addition to an existing building. In addition to the direct cost of construction, costs would include indirect costs such as cost of financing, property taxes paid during construction, and a reasonable allowance for entrepreneurial services.
- If the opinion of value is to be supported with evidence of replacement cost, there shall be presented: With regard to improvements to real property: the date of construction, type of construction, and replacement cost of construction
- With regard to machinery and equipment: the date of installation, replacement cost, and any history of extraordinary use with regard to both improvements and machinery and equipment: facts relating to depreciation, including any functional or economic obsolescence, and remaining economic life.

Personal Property Approach

- In general, Business Personal Property is all property owned or leased by a business except Real Property and Inventory items. Business Personal Property often includes, but is not limited to Machinery Computers Equipment (e.g. FAX machines, photocopiers) Telephones Furniture (e.g. desks, chairs, bookcases) Supplies.
- The most common method used is the cost of acquiring the personal property compared to what it would cost if it were purchased within a reasonable time before or after the lien date.
- At the hearing you will need to present evidence regarding the initial cost of the property, when it was acquired, its condition on the lien date, and its functional and/or economic obsolescence. For more information, call the Personal Property division at (213) 974-8613
- Comparable sales for personal property may be used in the case of **boats** or **aircraft**. Sales should be reasonably close to the lien date and have occurred on the open market. The sales price should be verified with the buyer, seller, broker, or salesperson. For more information on acquiring evidence for this type of property, contact the Assessor's Marine/Aircraft division at (213) 974-3119.

Having trouble finding comparables....

- Vacant Land
- Income/Commercial Property
- If there are no recent sales within the immediate area of your property, you may need to extend your search to other areas that are proximate or similar to yours in property type or mix, i.e.: all residential, all commercial or a mixture of the two.

Inadmissible Evidence

- Sales of comparable properties that occurred more than 90 days after the valuation date of your property. This is one of the most common examples of inadmissible evidence.
- The amount of taxes paid on your property or another property.
- Appeals Board decisions regarding other properties or a previous Assessment.
- Appeals Board decisions on your own property.
- Assessed values of comparable properties.
- Your age, health, or financial condition, or other matters not related to the value of your property.

*Tax Agent Registration

On April 30, 2013, the Los Angeles County Board of Supervisors approved an ordinance amending Los Angeles County Code, Title 2 – Administration to add Chapter 2.165, implementing a registration process for all tax agents practicing in Los Angeles County effective July 1, 2013.

A “Tax Agent” is any person who is employed, is under contract, or otherwise receives compensation to communicate directly, or through agents, employees or subcontractors, with any county official with the Assessor, Assessment Appeals Board, Assessment Hearing Officers, Auditor-Controller or Treasurer and Tax Collector for the purpose of influencing official action.

Tax Agents are required to register with the Los Angeles County Board of Supervisors, Executive Office; no later than 30 days after July 1st or within the first 30 days of first becoming a Tax Agent.

Tax Agents subject to this rule cannot represent a taxpayer before a County official without first being registered.

Anyone representing an applicant that does not fall under the definition of this ordinance may indicate this on the Agent’s Authorization form available on our website. Exemption forms will also be available to complete during the hearing.

The Day of the Hearing

1. Applicants are responsible to appear at the scheduled time and place for your hearing.
 - **If the applicant has an agent, attorney, or representative they will act on your behalf with full authority.**
2. Check in with the clerk. Hearings may begin early if all parties are present.
3. The clerk maintains the order and flow of appeals before the Board or Hearing Officer.
4. Depending upon arrival time and complexity of the case, the applicant should be prepared to spend several hours to the whole day at the hearing.

What is the difference between a Board and Hearing Officer Hearing?

- **Board Hearing** (held Downtown)

The appeal is heard before a three-member Board panel, in a courtroom-like setting and is recorded. In addition, an appeals clerk, along with an Assessor's representative(s) will be present.

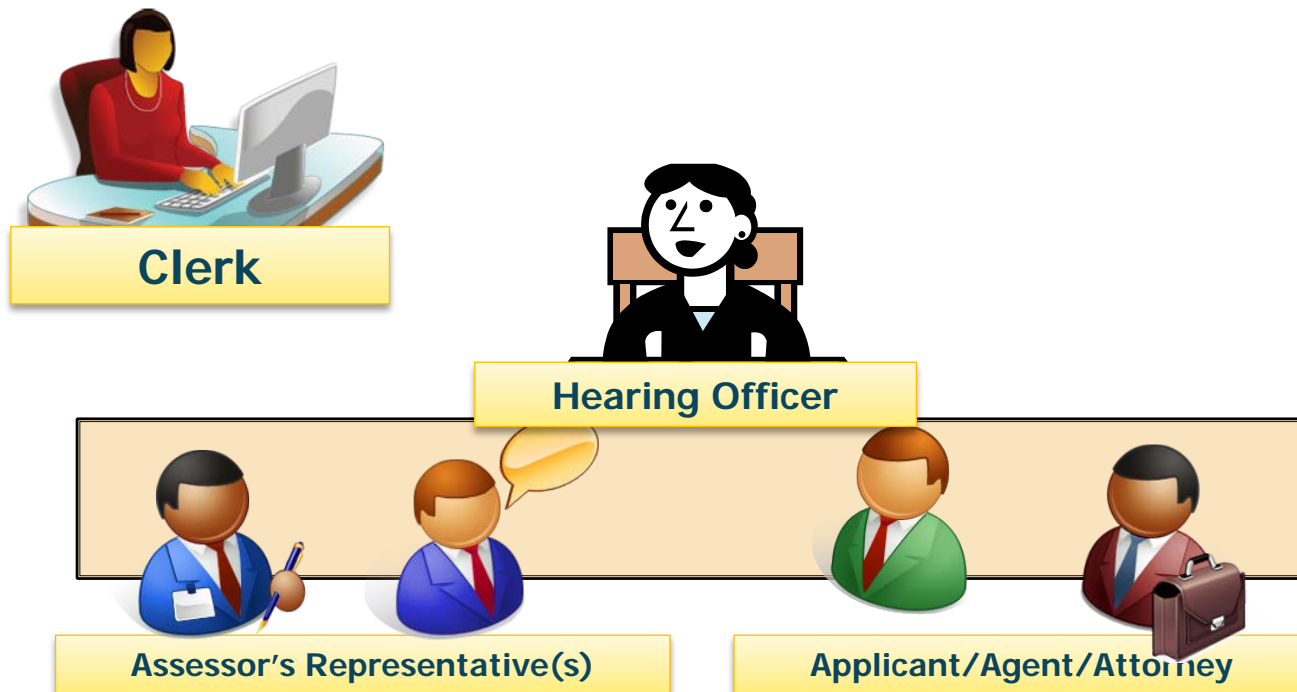

- **Hearing Officer** (held Marina del Rey, Newhall, Arcadia, Downtown)

Hearings before a Hearing Officer are less formal than hearings before the Board and involve less complex cases. The Hearing Officer reviews evidence presented by you and the Assessor's representative at the hearing and makes a recommendation regarding the fair market value of your property. The Applicant, Assessor and Board have the opportunity to reject the recommendation. If this is not done, the recommendation will be finalized by the Board.

Any single-family dwelling, condominium, cooperative or multi-family dwelling of four units or less, regardless of value, or any other property type that does not exceed \$3,000,000 in assessed value may go to a Hearing Officer hearing.

A Hearing Officer makes a recommendation to the Board, if the applicant disagrees, they may request for a new hearing before the Board.

The Board's decision is final. If the applicant does not agree with the Board's findings an appeal of the decision will have to be made within six months of the board action date through the Superior Court.

What Happens after the Hearing

Notice of Board Action

1. After the Appeals Board renders their decision, a Notice of Board Action will be sent to the applicant and agent (if applicable).
2. A copy of the Board Action notice will also be sent to the Assessor and Auditor-Controller for any necessary action.
3. At this point the Assessment Appeals process is complete.
 - If there is any value change, it can take approximately 4-6 months for the changes to be processed.
 - If a refund is due, the Auditor-Controller will issue a refund within three to six months after the Board Action Notice is sent by the Assessment Appeals Board.
